

Drama Workshop

On Friday 4th November, an actress called Charlotte came to teach Drama to pupils in Year 5 and 6. Charlotte was from 'Perform4Schools.' and she had appeared in many pantomimes. She told us that the most common characters in pantomimes are: The Princess, the Prince, the Villain, the Dame and the Clown.

First we participated in some activities; we had to pretend to be five different pantomime characters. Charlotte then told us about the pantomime 'Performance Plus' are rehearsing with school age children. It is called "Cinderella Rocks!" After this Charlotte taught us a rap about Cinderella and we had to sing along. We also added some movements to go with this. Finally we had to say goodbye to Charlotte. It was an enjoyable workshop, I learnt more about drama and how to act as different characters.
