

MATILDA

Dark haired Matilda lives with her beastly parents, Mr and Mrs Wormwood, who take no notice of her at all. She is very clever because by the age of one and a half her speech was perfect. By the age of four and three months she walks down to the library. She likes to read, she likes quiet time whilst her mother goes to Bingo in a town eight miles away and her father works in a garage to sell second hand cars. Mr Wormwood cheats; he puts sawdust in the gearboxes and reverses an electric drill on the speedometers. Michael goes to school every weekday. Matilda's mum never cooks...ever! They always have T.V dinner trays or fish and chips (from a shop). Matilda is not cared about at all for instance she gets left alone for five hours in an empty house.
