

Prize Giving Speech

Good afternoon,

I can't believe that this is my last day at Avenue House School!

My time here has been very special and I'd like to share some of my memories with you.

In Reception our first teachers were Mr Christie and Miss Redmond. I had my chair taken away to stop me fidgeting and falling off it, unfortunately this didn't work. At the end of Reception we were all very excited about moving to a classroom upstairs as this was a place Nursery and Reception had never been before. But when we were in Year 1 we all wanted a desk.

In Year 2 we had Miss Casey as a Form Teacher and I would like to thank her for teaching me superb History and Geography in Year 2 and Year 5. We also went on our first school trip to Epping Forest.

Dr Sharma helped us with some fantastic experiments, so Science is now one of my favourite subjects.

In Year 4 we had our first residential trip and we all went to the Isle of Wight. That morning we were all very excited. I would also like to thank Miss Clark for helping us all understand computers so much better and Mrs Caine for being a great Maths Teacher.

In Year 5 we all remember working very hard and Miss Humberstone helping us work especially hard and helping us go that extra miles thank you for that. Everyone remembers all the homework we were assigned but it was well worth it.

Year 6 meant exams and working extremely hard. Olivia, the senior production was a huge success thanks to Mrs Beevor and Miss Wilson especially. I would also like to thank Mr Sheppard and Miss Jory for helping me produce great pieces of art.

When I think of Avenue House I think of smiling faces and children working hard. Mrs Self is kind and friendly and takes pride in the school and the children, this makes us all feel special.

Avenue House is an excellent school and some of my happiest memories are here so I will be very sad to leave.

Lucy Green
