

## **The Four Seasons Of The Sea**

**In the spring  
Waves bounce on shore  
Gurgling bubbling  
Playful as a kitten's paws.**

**In the summer  
All sparkles and bright  
Suns in the sky  
A yellow kite.**

**In the autumn  
the sea gets cold  
Grey and angry  
With rocks that roll.**

**In the winter  
Ice cold raging black  
Stormy lashing as  
An angry dog howling.**
