

## *What is Orange?*

*Orange is a big bang  
setting fire to your house.*

*Orange is a tinkling in your  
throat as you drink orange juice.*

*Orange is fragrant as your pink  
perfume spraying on your face.*

*Orange is my tie which  
always comes loose.*

*Orange is a honey bee  
buzzing all around me.*

*Orange is champagne bursting  
out of the bottle all around the place.*

*Orange is a gingerbread man  
running away from the lady.*
