

June 2008

Dear parents,

For the final half term of Year One, our cross curricular topic is 'The Olympics' to coincide with the Beijing games this Summer. The following list gives an indication of the topics we will be studying in each subject to help you discuss school work with your child and consolidate their learning at home.

**English** – Traditional Chinese fables, writing a match report, Olympics shape poems

**Mathematics** – Calculating in real life contexts; time; position, direction and movement; symmetry; estimating and measuring; data handling; planning a mathematics investigation

**Science** – Pushes and pulls, ways of moving

**Information and Communication Technology** – Data handling using ICT

**History** – The Olympic Games

**Geography** – China

**Art** – Making 3D paper ice cream cones (continuing seaside work).

**French** – Food and drink, shopping, likes and dislikes, sport, weather, time.

**Religious Education** – Belonging

**Personal, Social, Citizenship and Health Education** – “Living in a diverse world”, discussing stories with morals, sun safety

**Design and Technology** – Making moving paper pictures

Yours,

Miss J Howard.
